Quarter 1, 2007
(April 1 – June 30, 2007)

ELEVEN ISSUES IDENTIFIED

1. COMMUNITY VALUES/DEVELOPMENT & MENTORS.

***Project Promise formed to educate the Appleton Valley communities that poverty exists in the Fox Valley & to find solutions to the problem.**

***Mayor Schmitt brings community groups together to give Green Bay an image makeover, to include but not focus on the Packers. Kiplinger's heralded Green Bay as "Best City for Married Kids" in its June 2007 issue.**

***Revitalization of Green Bay's downtown business district is evident, including plans to continue to replace present buildings with attractive housing for residents and community parkway construction, and new businesses.**

***City officials and residents debate city council proposed ruling on where rehabilitated sex offenders can live with the city limits.**

2. CRIME/VIOLENCE, Including Law Enforcement and Protection

***Shootings this quarter have affected schools, students, law enforcement officers. Law enforcement, education administrators & counselors, parents, students are all on alert and working to provide protection. Examples: (1) Three students at East H.S. in Green Bay appeared in court and sentenced to prison. (2) On April 16th a single gunman went on a shooting rampage at Virginia Tech Campus in Blackburg, VA. There were 33 students & teachers killed before the gunman took his own life. (3) A Green Bay man was fatally shot (Ben Sonnenberg) by Police in an emergency call to a Green Bay bar on April 21st.**

***The trial ended for Steven Avery, accused for the murder of 25-year-old Teresa Halbach in Manitowoc County. Avery was charged with first-degree intentional homicide. On March 17, the jury brought in the verdict guilty. *The next trial focused on 17-year-old Brendan Dassey as accomplice to the crime. Dassey was found guilty on three charges, sent to prison, and not eligible for parole.**

***Home burglaries and retail burglaries increased throughout Green Bay area. Neighborhood groups are formed to work together to stay alert to report suspected criminals. Businesses band together also to help one another.**

***Bomb threats in schools were prevalent this quarter in elementary, secondary And colleges/universities.**

3. EDUCATION

***Support for public education was provided through the following two programs, specifically completed through WLUK-TV and community groups.**

***Presentation of "Golden Apple Awards" to area educators in their classrooms brought students and teacher recognition to the media and to the community. This is an annual event ending with the Golden Apple Awards Dinner and a presentation held at the Radisson Center and aired on WLUK-TV on Wed., April 4th, 9:00-10:00pm.**

*** The "Best of the Class" project provided support to students successful in area schools. Over 120 students participated to videotape vignettes of students named as valedictorians in their school. Vignettes were aired on a rotation basis, plus the vignettes were put together in a half-hour local program aired four times in June, 2007 on WLUK-TV.**

***University of Wisconsin-Green Bay improved education curriculum by offering a new major in Native American History.**

***Homeland Security changes were adopted by local schools, following the series of gun shootings in Green Bay, and other area incidents. Three East H.S. students were apprehended & jailed following a tip from another East High School student. School doors are now locked, with only a main entrance open to the school.**

***Schools in the area continued to face issues of security and student safety due to the increase in bomb threats at area elementary & secondary schools. Often students are not allowed back into schools for a day, until buildings are thoroughly checked by Police. Schools are forming groups named SERT, School Emergency Response Teams.**

***Costs increase in education, and often that is passed on the families. Example: Univ. of Wisconsin-Madison increased tuition.**

4. ENVIRONMENTAL CONCERNS

***Wind turbine farms continue to cause citizen concern. The proposal by Glenmore Town Board to add 8 new wind turbines in the town brought many to town meetings. Residents are concerned about environmental noise, wildlife disruption & property value. Others promote the business interest based on environmental advantages.**

Dead fish in Outagamie County waters brought the DNR and local boating facilities to take measures to prevent the spread of the VHS fish disease. Boaters are required to clean their boats & equipment after each use to prevent the spread of the virus.

***Fox River Clean-up in Brown County continues to be a concern. Green Bay legislators Montgomery & Cowles support the U.S. EPA in their revised plan to clean up the PCB materials in the Fox River. The EPA is expected to issue a final decision on the clean-up in the near future.**

***Fire hazard high in area. Oshkosh determined that their string of fires was intentionally set.**

He was the highest-ranking Marine from Wisconsin to be killed in the Iraq war. He had returned to Iraq earlier in January for his second tour of duty. In Kenosha Sgt. Robert Basham was honored & his family received his medals for service to his country. Waupaca resident, Sgt. Warren Hansen, honored on June 14th for his service to America.**

President Bush signed legislation to give employees a better chance of getting retirement benefits they have earned from companies. It does, however, recognize gradual disappearance of pensions in favor of savings accounts controlled by individual workers.

Gas prices continued to rise, and no relief is in sight. Families curtail some of their vacation plans based on fuel costs.

6. GOVERNMENT PROGRAMS & ACCOUNTABILITY

***Northeast Wisconsin residents listened intently to newly sworn in Governor Jim Doyle as he visited communities in Wisconsin.**

***Political campaigning was a big issue this quarter. Mayor Jim Schmitt was elected for his third term in Green Bay Mayor. Tom Hinz vs. Alan Lasee for Brown Cty Executive addressed a new Mental Health Center, road agreements with Oneida Tribe of Indians, move of Sheriff Dept. out of DT Green Bay, and raising property taxes. *Campaigns for the WI Supreme Court brought sharp "discussions" between incumbent Linda Clifford & newcomer Annette Ziegler.**

*** President Bush spoke further about military plans to accomplish control in Baghdad, acknowledging the 4th anniversary of the Iraq invasion.**

7. HEALTH CARE/ISSUES/NEWS & REFORM

***Families across North America were shocked to find out that millions of containers of cat and dog food sold at major retailers across North America had to be recalled due to adulterated wheat gluten found in all pet food distributed by Menu Foods. Federal testing found a chemical used to make plastics as well as rat poison. Reports included 14 pets died from eating the pet food. Menu Foods distributes for many well-known pet food retailers.**

New Healthcare facilities this quarter included: Pilot Program through the U.S. government focuses on New Health Care System. Wisconsin may be one of the test sites for new program. NE Wisconsin Technical College opens a new clinic in Green Bay; it offers primary health care to uninsured citizens. St. Mary's Hospital in Green Bay opened a new operating suite; new, updated equipment provides superior health care.

Individual citizens raise money for citizens who need healthcare. Toby Kufahl raised \$15,00 for cancer patient, Dustin DeGroot. Green Bay teen walked to Potawatomi Lighthouse to raise money for a Leukemia patient.

8. BUSINESS & NON-PROFIT GROUP CONCERNS

Businesses addressed their company pension/retirement plans for employees based on President Bush's signed legislation requiring more aggressive funding benefits in pensions for employees.

Wisconsin industrial employment has grown this year. Manufacturers News Inc. cites Wisconsin as bucking the national trend of losing manufacturing jobs. Example is Bayland LLC, turning tons of paper industry waste into building materials such as roof tiles, faux brick & panels.

9. MINORITIES, ELDERLY, WOMEN CONCERNS/CIVIL RIGHTS ISSUES

Major concern with illegal immigrants in the communities. Green Bay Council debated how to keep business owners accountable if they knowingly hire illegal immigrants. Example: bar owners could lose their liquor license.

Northeast Wisconsin Technical College is changing its face as minority numbers grow in the area. NWTC sees 11.5% increase in minority student enrollment. Black students on campus have smallest presence; Hispanic students comprise the largest minority group.

10. SUBSTANCE ABUSE, INCLUDING DRUGS & ALCOHOL

New Chief of Police, Jim Arts, began working on his Top priority in Green Bay, and that is to reduce the spread of illegal drugs in the community. And DePere School District adds a new provision – they will do random drug tests for all students in co-curricular activities.

Drugs in Schools are a problem. Nine Kimberly H.S. students were expelled after selling Adderall in School. Administrators are working to eliminate selling prescription drugs in schools.

TV ads will soon appear about the dangers of meth & its addictive nature to young people.

Federal Court orders cigarette companies to publish on labels and in advertisements the dangers of cigarette smoking.

11. AMERICA AT WAR & INTERNATIONAL CONFLICT

Local families welcomed home soldiers of the Battalion 133rd Infantry unit who returned from tour of duty in Iraq. Over 600 soldiers from the Nat'l Guard unit were reunited with their families.

***U.S. air strikes near the Pakistan border have killed high-ranking members of the Taliban's southern military. U.S. officials consider this one of our major victories because it can disrupt Taliban offensive plans.**

The nuclear threat by North Korea has all citizens alert to U.N. negotiations and the United States' position. President Bush talks with South Korea, China, Japan & Iran.

Local anti-war activists rally in Green Bay on Webster & Mason streets to demonstrate against U.S. continued participation in Iraq war. Activists are members of the WI Green Party.

Tommy Makes It Official

April 4, 2007

MILWAUKEE (AP) - Presidential candidate Tommy Thompson said Wednesday that he wants the Iraqi government to vote on whether the U.S. should keep its troops there.

"I'm confident they will, but ... if they do vote no - they don't want us there - we should get out," Thompson said, drawing applause.

Thompson, who was health and human services secretary during President Bush's first term, made the comment during his first formal presidential campaign stop in his home state. He formally announced Sunday on "This Week" on ABC that he is seeking the Republican nomination for president.

Thompson described himself as the only candidate with a commonsense approach to Iraq.

He said he would work with Iraqi leaders to form 18 self-governing provinces that would operate under a national government. He also would encourage the Iraqi government to give each citizen a stake in the nation's oil reserves.

"We must give the Iraqi people a stake in their nation and stability in their future," Thompson said.

He spoke to about 1,000 people Wednesday morning at the Tommy G. Thompson Athletic Center at Messmer High School, a Catholic school involved in the pioneering voucher program that Thompson helped create as governor. It allows low income families in Milwaukee to send their children to private schools at state expense.

From Milwaukee, Thompson planned to go to a noon event in Clive, Iowa.

Since announcing last year he was forming a presidential exploratory committee to raise money and gauge support, Thompson has lagged behind better-known rivals, like former New York City mayor Rudy Giuliani, Arizona Sen. John McCain and former Massachusetts Gov. Mitt Romney.

On Sunday, the 65-year-old proclaimed himself the "reliable conservative" in the race.

He has previously said he didn't mind being "the dark horse candidate."

Could I have a copy of the one-sheet explaining the half-hour special program for "Best of Class" which we aired...and will air again 2X in June?

I'll put it in our Quarterly FCC Programs/Issues Report under Education/Youth/Mentoring/Careers.

I'll take either an e-mail attachment or hard copy...whichever is easier for you to do.

Thanks!

Man Fatally Shot in Green Bay

April 21, 2007

At 1:56 am on Saturday, 4-21, Green Bay police officers were dispatched to the scene of an armed disturbance involving a subject with a baseball bat. They were told the subject left the scene in a red Oldsmobile.

The officers located the vehicle traveling westbound on Main St. and pulled it over near Club 720 on Bodart St.. They radioed that the male driver was not listening to their commands. The next transmission said there was a man down and rescue was needed.

Preliminary investigation indicates the male driver exited the vehicle and made movements similar to drawing a gun. The officers then fired shots. The male subject was struck and killed. No weapon was located.

A second person, who was not involved in the incident, was struck by a bullet that entered Club 720. He is currently being treated for his injuries.

The names of the officers involved and the deceased subject will be released tomorrow morning at 10 am. Additional information will be released at a press conference at 10 am on Monday morning at the Green Bay Police Department.

Subject: PRESS RELEASE ON AMERICAN IDOL EVENT

The following press release went out yesterday afternoon announcing a big event on AMERICAN IDOL. This was also mentioned in last night's live show.

Please note that BONES and 'TIL DEATH are now preempted on April 25 for a special 2-hour episode of AMERICAN IDOL.

Ford Motor Company Leads Corporate Sponsors

During tonight's live broadcast of AMERICAN IDOL, it will be announced that FOX, AMERICAN IDOL and the Charity Projects Entertainment Fund (CPEF) have partnered on an historic television event – IDOL GIVES BACK – a two-night special raising awareness and funds for organizations that provide relief programs to help children and young people in extreme poverty in America and Africa.

The AMERICAN IDOL performance show airs Tuesday, April 24 (8:00-9:00 PM ET live/PT tape-delayed) and the expanded results show airs Wednesday, April 25 (8:00-10:00 PM ET live/PT tape-delayed) on FOX.

On Tuesday, April 24 (8:00-9:00 PM ET live/PT tape-delayed), the Top 6 finalists will sing songs that can be considered "Life Anthems." In keeping with the IDOL GIVES BACK theme, all the songs performed will be about compassion and hope. After the performance show, viewers will vote for their favorite contestants via toll-free numbers and text messages, as usual. On this special night, however, viewers will also help change the lives of the truly needy. For every vote cast, AMERICAN IDOL sponsors Coca-Cola and AT&T, along with a range of additional partners, will

donate money to the charity.

The Ford Motor Company will also contribute to the cause in connection with its weekly music video, details of which will be announced soon.

The special two-hour results show on Wednesday, April 25 (8:00-10:00 PM ET live/PT tape-delayed) will be a star-studded evening featuring world-renowned artists and celebrities, including Gwen Stefani, Josh Groban, Pink, Michael Bublé, Annie Lennox, Il Divo and popular Kazakhstan journalist Borat Sagdiyev (Sacha Baron Cohen) among many others who will take the AMERICAN IDOL stage.

During the Wednesday event, adding to the corporate contributions, viewers will be able to make their own donations via toll-free lines and the Internet.

The money raised by the two shows will equally benefit the U.S. and Africa. In the U.S., the money will be distributed via CPEF to Save the Children and other U.S. organizations working to deliver programs to children living in extreme conditions in some of the most disadvantaged areas of the country. To find out more about poverty here in America, please visit www.savethechildren.org.

In Africa, the money will be dedicated to delivering health and education programs and will be distributed via CPEF to a number of organizations, including U.S. Fund for UNICEF, The Global Fund, Save the Children, Nothing but Nets and Malaria No More. For viewers interested in learning more about how to get involved in efforts to fight AIDS and extreme poverty around the world, IDOL GIVES BACK is also providing a link on its website (www.americanidol.com/idolgivesback) to ONE: The Campaign to Make Poverty History (www.one.org).

“Richard Curtis is a remarkable man and the Red Nose Day charity on BBC TV is an amazing humanitarian effort. Richard approached me a couple of years ago and asked how we could work together to launch a major new televised charity initiative in the U.S. following on from the \$820 million that he has raised in the UK with Red Nose Day,” stated Simon Fuller, creator and executive producer of AMERICAN IDOL. “After lengthy discussions it occurred to me that we should use AMERICAN IDOL as an existing platform to premiere this idea. Thanks to the huge support of FOX and the enthusiasm and energy of Nigel Lythgoe, Ken Warwick, Cecile Frot-Coutaz and Simon, Ryan, Paula and Randy, it has finally become a reality. Red Nose Day is an extraordinary institution and I am hoping that IDOL GIVES BACK is an enormous success, raising awareness and huge amounts of money for all these wonderfully deserving causes, and allowing us to continue to make these important, world-changing shows for many years to come.”

“When we were approached by Richard Curtis, Simon Fuller, Simon Cowell and CPEF about this project, we felt it was a natural fit,” said Peter Chernin, president and chief operating officer, News Corporation. “For the past five seasons, viewers have fulfilled the dreams of the contestants. Now they have the chance to help us change the lives of children and young people in need and at risk, here in the U.S. as well as in Africa.”

“We are thrilled to have this unique opportunity to work with AMERICAN IDOL to bring the issue of extreme poverty in Africa and in America into the hearts, minds and homes of millions of Americans,” said Richard Curtis, co-founder of the UK’s Red Nose Day charity and renowned writer/director of such films as “Love Actually,” “Notting Hill” and “Four Weddings and a Funeral.” Curtis was a founding member of the Make Poverty History coalition and worked throughout 2004 and 2005 on the campaign and “Live 8” with Bono and Bob Geldof.

U2's Bono, co-founder of the One Campaign to Make Poverty History, said, "We'll see worlds collide when Africa appears on America's most-watched TV show. This is a big deal, a little bit of pop history ... I wouldn't underestimate the reach of this show or the impact its audience can have."

"The IDOL GIVES BACK premiere provides an excellent opportunity for AMERICAN IDOL viewers to engage with the issues of poverty and health in Africa. People all across Africa are fighting back against AIDS, tuberculosis and malaria, and there is optimism and hope everywhere. AMERICAN IDOL viewers will be able to learn more about these successes and contribute directly to them. It is a wonderfully exciting opportunity, and I thank Richard Curtis, Simon Fuller, Peter Chernin and the many others who are launching IDOL GIVES BACK," said Sir Richard Feachem, executive director of the Global Fund.

"Using the power of the world's most popular television event, AMERICAN IDOL, to benefit millions of needy children around the globe, is a remarkable and extraordinary achievement. On behalf of 25 million children in Save the Children's programs worldwide, we are all deeply excited and appreciative," said Bill Haber, board trustee of Save the Children.

"AMERICAN IDOL has given so much to this network and we don't take that for granted," said Peter Liguori, president of entertainment for Fox Broadcasting Company. "To quote a famous superhero, 'with the gift of power comes great responsibility,' which is why we feel so fortunate to partner in this special television event, giving back."

Executive Producers Nigel Lythgoe, Ken Warwick and Cecile Frot-Coutaz added: "This is going to be a television event unlike any other. We are planning two nights of amazing, star-studded entertainment, and we're using the power of AMERICAN IDOL to raise needed awareness and funds. Our fans can give directly if they want, but they can also impact the lives of people in this country and in Africa just by voting as they do every week. It's that easy and it's that important."

Simon Cowell and Ryan Seacrest traveled to Africa and personally witnessed the poverty and disease there, as well as the extensive programs that are underway to fight them.

"Having witnessed some of the appalling conditions in Africa firsthand, I'm especially proud that our show is offering Americans the chance to help those most in need," said Cowell. "Ensuring that American charities will equally benefit from these efforts was one of my priorities, and I'd like to thank our sponsors for their support and generosity in making this possible."

Seacrest added: "I thought I was prepared for what I would see in Africa, but the level of poverty was beyond anything I could have imagined. You see it, you smell it, you taste it. However, despite the extreme conditions, you feel an incredible sense of hope from the people ... especially the children."

Additionally, Cowell and Seacrest will be joined by Paula Abdul and Randy Jackson, visiting areas such as Kentucky and parts of Mississippi and Louisiana devastated by Hurricane Katrina. Although it has been over a year since the hurricane hit, many people's lives are still in turmoil despite the efforts being made.

"Children and children's charities have always played such an important part of my life and career," said Abdul. "I am extremely excited to be a part of this new project, which I believe can truly make a difference. Visiting the sites of these tragedies will certainly bring a renewed awareness to these

Children organizations working in more than 110 countries to ensure the well-being of children everywhere.

Nothing But Nets www.NothingButNets.net

Nothing But Nets is a global, grassroots campaign to save lives by preventing malaria, a leading killer of children in Africa. Inspired by Sports Illustrated columnist Rick Reilly, thousands of people have joined the campaign that was created by the United Nations Foundation. Founding campaign partners include the National Basketball Association's NBA Cares, The People of the United Methodist Church and Sports Illustrated. Other partners include VH-1, The Mark J. Gordon Foundation, AOL Black Voices and Rotarians' Action Group on Malaria. It only costs \$10 to provide an insecticide-treated bed net that can prevent this deadly disease. The Bill and Melinda Gates Foundation matches donations dollar for dollar.

Malaria No More www.malarianomore.org

Malaria No More's mission is simple: to end deaths due to malaria. The world has known how to beat this disease for more than a century, yet it remains the number-one killer of children under five in sub-Saharan Africa, claiming more than 1 million lives a year. Malaria No More engages individuals, organizations and corporations in the private sector to provide life-saving bed nets and other critical interventions to families in need. Together, these investments will significantly reduce malaria infections and make malaria-related deaths a thing of the past.

Founded in 2006 by leading non-governmental institutions, Malaria No More works in partnership with the President's Malaria Initiative, UNICEF, American Red Cross, The Global Fund to Fight HIV/AIDS, Tuberculosis and Malaria, Millennium Promise, United Way of America, United Nations Foundation, Global Business Coalition on HIV/AIDS, Tuberculosis and Malaria, and others.
